the friend of new skater (the FONS)

The Gainesville Roller Rebels host new skater sessions every year. These sessions are open to individuals of all skill level, even those who have never put on skates! For those who are not equipped with the correct gear, we offer the **GRR Gear Library**.

The initial cost to purchase roller derby gear can be \$360 or more. The Gear Library has skates and safety gear to give new skaters the chance to join our league while relieving them of the upfront cost. The league goes through semi-annual gear audits to ensure that safety equipment is up to standard.

The Friend of the New Skater helps to make sure the GRR Gear Library is stocked with safety gear and skates prior to each new skater session. The FONS will have specialty stickers of their company's logo which will be on every helmet purchased for the GRR Gear Library.

*Prices will vary depending on what gear is needed for each skater session.

afterparty host & food sponsor

Win or lose, the Gainesville Roller Rebels will always get together after a bout and have an afterparty. One unique aspect about the sport of roller derby is that we celebrate with everyone! Fans, referees, and volunteers **from the home and visiting teams** are welcome to get together to celebrate a bout well played.

The afterparty host would provide a space for the Gainesville Roller Rebels & Friends to hang out after every home bout of the season. Food would also be provided by the sponsor, but is only for our skaters, referees and volunteers.

Interested in sponsoring our food, but don't have a space for the afterparty? You can solely sponsor our food post-bout, so our hardworking Gainesville Roller Rebels can fuel up!

Afterparty Sponsors will have the announcement of the after party in the digital bout booklet, shout out throughout each home bout and additional promotion on social media.

*Prices will vary depending on selection of after party host, food sponsor, or both.

THANK YOU FOR YOUR SUPPORT OF THE GAINESVILLE ROLLER REBELS' 2024 SEASON
